

Light-Medium Duty and Commercial Vehicle Code Scanner with Full DPF Service Functions

If you're looking for a mid-line code scanner to diagnose light to heavy duty commercial vehicles and you don't want to break the bank, then look no further! Introducing the all-new **HD Code Pro**

The **HD Code Pro** is slotted right in between our HD Code II and our more professional line scan tools, such as the HD Pro III. It is a perfect triage tool for reading & clearing codes and performing quick & easy DPF resets and regens - but even more, with the **HD Code Pro** now you can also perform SCR, Ash and Soot Level Resets, along with Service Maintenance Resets. It is now a full DPF service tool.
